

Telephone Coaching

Telephone coaching sessions are a minimum of twenty minutes by telephone or sixty minutes in person. Sessions are very personalized and it is my wish that you read the webpage material first so that we do not waste valuable time with the basics while the meter is running. The investment for Telephone coaching is \$1 per minute. The First session includes a complimentary fifteen minute trial.

Preparing for Telephone Coaching with Mike;

1. Take the Stress Test and e-mail the following to Mike
 - a. Your results before the release exercise and after.
